Flutter certified

ABOUT ME

Computer Science undergraduate at the University of Nigeria, Nsukka with experience in Flutter, Node.js, Express.js, Python, and UI/UX design. Passionate about mobile application development and software engineering. Seeking internship opportunities to apply technical skills, contribute to real-world projects, and grow as a full-stack developer.

PROJECTS

Portfolio Website

Built a responsive portfolio website using Flutter Web.
Implemented dark/light mode support.
Designed responsive layouts for desktop and mobile devices.

Academic Duel Platform

Designed UI and user flow for an AI-powered academic competition platform.
Created wireframes and interactive prototypes.

Flutter Mobile Applications

Developed cross-platform mobile applications using Flutter.
Integrated REST API and local storage.

ACCOMPLISHMENT

- Coordinated 2 special public and private tech events
- Oversaw database management systems
- Developed and maintained full stack applications
- Member, Nigerian Association of computing students
